

## **Potato Associate Renewal Dues 2020-21**

Dear Potato Associate Member,

Please accept this invoice as an invite to join us in supporting our potato growers in 2020-21. The Potato Associates will do their best to ensure the growers recognize your support of their industry and we will try to spend your dollars wisely. From the 2019 dues, we have supported several potato grower events.

With your dues, you will receive the Valley Potato Grower magazine for the year, the weekly Potato Bytes electronic newsletter and receive invitations to all Northern Plains Potato Growers Association events including the Potato Golf Open, Field Days and the NPPGA Annual Meeting.

Below is a renewal dues form, which is a fillable form, to fill out and return via E-mail. The Potato Associates renewal form can also be found on the NPPGA website under the Potato Associates page at [www.nppga.org](http://www.nppga.org).

Please select the "Option Rates" listed below. You can also just print the form, fill it out and return by mail.

Please call or E-mail me if you have any questions, and we hope to see you at the Potato Industry functions!

Thank you.

Gary Shields  
Potato Associate President
